SCHEDULING & CANCELLATION POLICY

We have a scheduling policy at Jackson Physical Therapy and Sports Medicine that allows for the highest level of patient care. When a patient comes in 30 minutes or later, this can cause a back up with patients who were able to come in at the proper time. We want to give each and every patient the time and attention that they deserve. We understand that things can come up in the course of the day, so we ask that if you know you are going to be late, call us first so we can find another time when we can see you that won't mean sacrificing anyone else's treatment time, including your own. If you are 15 or more minutes late for your appointment and have not called ahead you may be asked to reschedule. We appreciate your understanding in this matter. We want to apologize for any inconvenience and appreciate your patience. We only want to give you the very best treatment we can each and every time you come here.

If you are referred to us for treatment for a work related injury, you are required, by Nevada Statute, to attend all scheduled physical therapy appointments, as prescribed by your doctor. Failure to do so will result in us contacting both your doctor and claims examiner.

No show/ No cancellations will be charged $50.00 for the missed appointment. You as a patient will be billed for this and not your insurance company. Cancellations must be made at least 4 hours prior to the appointment.

Please help us and be responsible for your care by keeping your scheduled appointments. Thank you.

I have read and understand the scheduling and cancellation policy as set forth above.
